Terms and Conditions of the Watford Credit Union Christmas Cracker Account

1. Money will be available between approximately 20 November and 10 December – “the withdrawal period”.
2. Any money not withdrawn during the withdrawal period (see 1. above) can either be transferred to the member's share account or left in the Christmas Cracker account for the following year.
3. 60 days' notice will normally be needed to withdraw Christmas Cracker savings at any other time of year, and the Christmas Cracker account will then be closed for that year.
4. Money saved in a Christmas Cracker account will count for dividend and free life savings insurance cover on the same basis as money saved in a share account.
5. After the first 6 months, at least £5 in total needs to be kept in a member's share and/or Christmas Cracker account to maintain membership of Watford Credit Union, and hence in particular to be eligible for any dividend payment that might be declared at the AGM, which is normally held in March or April. Any such dividend payment will be based on the member's savings over the previous financial year, which runs from 1 October to 30 September.
6. If a member applying for a loan wishes to count some or all of their Christmas Cracker savings towards a 'savings multiple' for that loan, they will be required to transfer the relevant amount to their share account.
